

Eva Ding

2009-2013

Eva Ding has recently completed her Bachelor of Music in Classical Flute performance at Auckland University. During her studies she went on an exchange to the University of California where she had lessons in prestigious music conservatories such as Juilliard and Eastman. Eva received the University of Auckland undergraduate scholarship, Auckland Philharmonia Orchestra Internship, the New Zealand Symphony Orchestra Scholarship and won the Auckland Youth Orchestra Soloist Competition.

Eva's love for the flute began when she was 8 and this passion was nurtured by her time at Epsom Girls Grammar School where she was part of the Epsom Symphonia, Concert Band, Jazz Band, Paradisum, Festival Choir, and Chamber groups.

In the future Eva wishes to pursue a professional career in music and become an ambassador of merging music and cultures all in the hope of bringing the same joy that classic music has brought her.

"Do what you love, be creative and don't be afraid to make mistakes or admit when something isn't working for you."
